1530 - 1600	Functional review / forward look / issues to address / Go home	PCIS (SM/AG)

Pavement Condition Information Systems

PCIS Regional seminars

pcis

- Aware that there are other issues as well as SCANNER and UKPMS
 - Single day seminar
 - About 4 hours of meaningful presentation and discussion time
 - Either cover a lot in very little detail, or try and provide some depth to discussions
 - Will design outline talks for all speakers
 - Allow them some freedom and welcome input
 - Avoid blatant commercial hijacking from industrial speakers, but will not enforce a strict BBC-style 'no advertising' ban
 - Identifying and approaching potential speakers

Pavement Condition Information Systems

PCIS Regional seminars

pcis

Seminar	Speaker 1	Speaker 2	Backup Speaker	PCMG speaker
Newcastle	Andy Stevenson	Stacy Smith	Atkins	Ed Bunting
Manchester	Stephen Finley	Atkins	?	Paul Boss?
Bristol	Scott Tompkins	Barry Wilcox	Atkins	Kevin Fuller?
London	Pete Burnham	?	Atkins	Les Hawker?

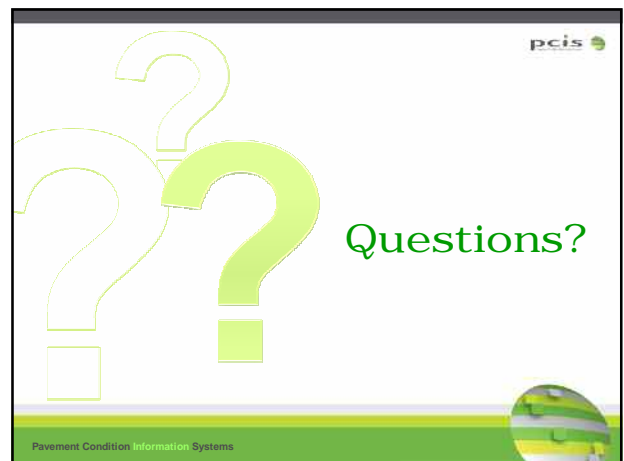

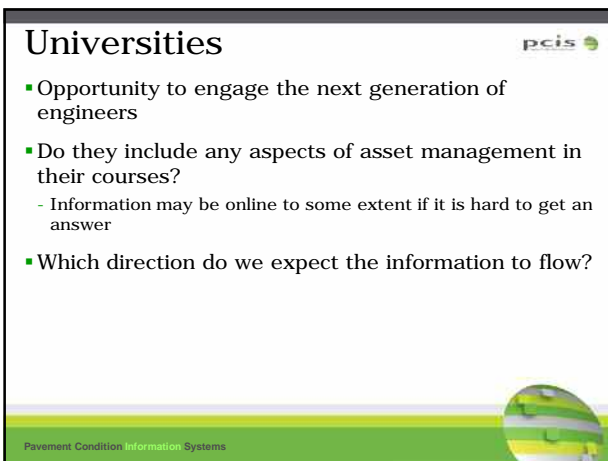

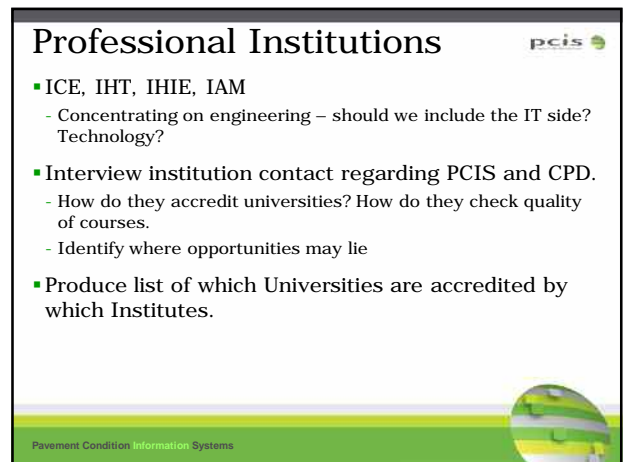

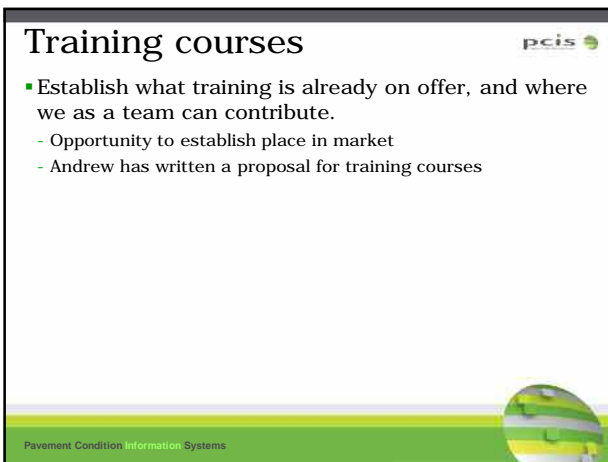

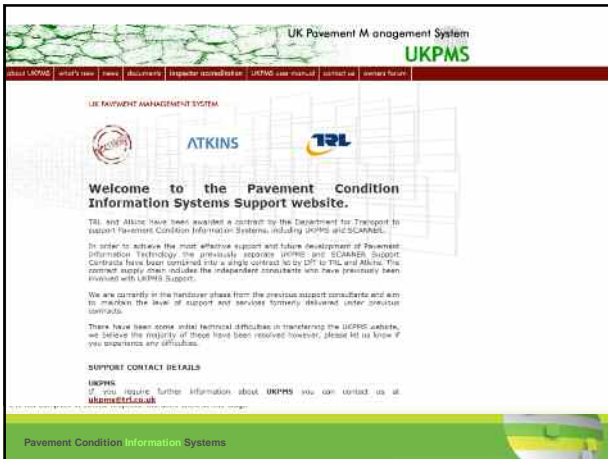

Pavement Condition Information Systems

Website

pcis

- Structure drawn up
- Being put in place on website
 - <http://www.lhm5.co.uk/>
- Now creating and uploading content
- Next steps:
 - Complete structure construction
 - Get content formatted and uploaded
 - Unveil website
- Very important that we get this completed soon
